

My Leadership Philosophy

- Context for my leadership: Uncertainties, my role, our challenge, aspirations, commitment.

- What matters most to me: What I stand for, which values drive my decisions

- What I can contribute. What makes me distinctive? My style/ approach...

- What I will need to watch out for on my leadership journey: My potential blind-spots, unhelpful biases or tendencies, strengths overplayed, etc

- What you can expect from me

- What I expect from you. What will help us work well together

- What does success look like?
